Capt. Sanders would like to hear from some of you other "G" owners. Is he the only member that is the original owner of their "G"?

The front license plate on his "G" is GRRRR. When people ask, he tells them that's what COUGARS say!

**OWNERCARD EXPIRATION**

This Ownercard is valid for warranty service through the expiration date shown on front of card providing:

- Owner(s) listed retains ownership
- Vehicle has been driven less than 50,000 miles
- Lack of prescribed maintenance has not caused the service requested

A new Ownercard will be issued upon expiration of this card and will be valid for applicable warranty service providing you retain ownership and lack of required maintenance has not caused the service requested and providing that the vehicle is otherwise within warranty with regard to time, mileage and use.

This card is not transferable. A new Ownercard may be issued to a qualified subsequent owner only upon application through an authorized Ford Motor Company dealer.

To assure continuation of a valid warranty, refer to your Warranty Facts Booklet and/or Owner's Manual which you received with your vehicle.
